

## Product Service Bulletin

**Title:** RedZone Sauna Cleaning Guidelines

**Issue Date:** March 9, 2026

**Related Products:** RedZone Sauna

**\*\*Important Notice:** Do not use ammonia-based cleaning fluid on any surfaces inside the RedZone Sauna.

Some of the surfaces inside the RedZone Sauna are not compatible with ammonia-based cleaners, which cause the surfaces to crack and break.

### Examples of Cleaning Fluid that Should Not be Used:

- LUCASOL disinfectant (red Label)
- Virex II 256

### Examples of Cleaning Fluid that May be Used:

- LUCASOL acrylic and plastic cleaner (green label)
- Oxivir TB
- Ammonia-free Windex

**\*\*Please be sure to read the label of any cleaning fluid to confirm it is ammonia-free prior to use.**
